You Are Not Too Old To Conceive!

Beautiful woman, are you tired of being told you are infertile or too old to have a child?

Well, I want you to know you can conceive at any age if the desire is there in you. For that desire is a sure sign that the blessing is already yours. Sometimes, you may wonder, "Will it ever happen for me?" Yes, it will, if you trust God completely.

Today I bring you hope through the Word of God and in Jesus' name, you can have children as it is your birthright in Christ. Learn how to confess your heart to God so that you can turn your dreams of having a family into a reality. No matter how old you are today, your desire to conceive and have a baby can happen if you trust God to do it for you. If you have been diagnosed as having fertility problems, or have been trying for a baby for many years without success and you now feel you are getting on in age, do not worry. Help is at hand. With God, all things are possible, and you can still have a child. You can use the prayers and information in the Word of God to change your life. I have seen God's Word work and transform lives. That same Word is available to help you also if you will open yourself up to it.

The older woman may, due to her age or egg production problems, be led to believe that there is no way out for her about having a child. I am not here to argue with medical facts but I want to lead you to a more authoritative source; that is the Word of God. In Jesus Christ, there is hope for you and the Bible has many wonderful promises for you. You do not have to accept that your age can stop you from having a child.

The Bible gives these promises to the older woman to let her know that with God, it is never too late. God says He will love you, bless you and multiply you. He will also bless the fruit of your womb and the fruit of your body. God swore

that your body would bear and produce blessed fruit and you will not be barren. Who can change that?

God says the righteous shall flourish like a palm tree. He shall grow like a cedar in Lebanon. Those who are planted in the house of the Lord shall prosper in the courts of our God. They shall still bear fruit in old age. They shall be fresh and flourishing, to declare that the Lord is upright. God says if you trust Him, He will make you have children, even in old age. God's word says that if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you. The Lord can give life to your body no matter how bad the report is that has been given to you.

Psalms 103 says that you should say: "Bless the Lord, O my soul. And all that is within me bless His holy name. Bless the Lord, O my soul, and forget not all His benefits. Who heals all your diseases. Who redeems your life from destruction. Who crowns you with loving kindness and tender mercies. Who satisfies your mouth with good things, so that your youth is renewed like the eagle."

God says He will renew you like the eagle. He promises to rescue you from destruction. He says He will heal all your diseases, no matter what they are, if you trust Him totally.

65-year-old German woman gave birth to quadruplets!

If she can do it, so can you. All you need is someone to hold your hand and help you. I am here to help you. Just get in touch today and let us discuss how we can work together for your breakthrough.

God says you are like a tree planted by the rivers of water that brings forth its fruit in its season, whose leaf also shall not wither; and whatever you do shall prosper. This is your season to prosper. Now pray this prayer:

“This is my season to prosper. I will prosper in the fruit of my womb. I am like Sarah who conceived and bore Abraham a son in his old age, at the set time of which God had spoken to him. I call myself a happy mother of children. My own set time has come. God says I shall have a child (fruit) in old age. Because of the quickening and renewing power of the Holy Spirit who lives in me. God says He will satisfy my desires with good things so that my youth is renewed like the eagles. Those good things include having my baby at the age of which I am now. I believe your word. Thank you, Lord. Let it be to me according to your word, in Jesus’ mighty name. Amen.

These are just some of the promises of God for the older woman concerning childbirth. These scriptures establish the truth of God's Word to the older woman. Age cannot stop you from having children. As long as you are below 91 years, which is the oldest record of a woman giving birth in the Bible. No matter how old you are, today, I want you to know that God loves you and cares about you. He sends you His word to bring you victory.

I believe the season of your singing has come. This is my prayer for you:

Almighty God, I pray for my sister reading this article that as you blessed Sarah and she conceived and bore Abraham a son in his old age, that you do the same for her, oh God in Jesus' mighty name. I call the lady reading this article a happy mother of her own child. I decree that the set time for you, Father, to favour her has come, and I worship you for doing it for her in Jesus' mighty name. Amen.

A Mother's Day Prayer For A Woman Facing Infertility

Are you a nurse, midwife or doctor who has no child of your own? Are you someone helping others to live a better quality of life and yet you have not experienced the joy of motherhood? I bring you good news at this time of mother's day. Be glad because God can make you a mother too. The Bible says, **"God settles the barren woman in her home as a happy mother of children. Praise the Lord! Psalm 113:9.**

I want us to look briefly at this story in the Bible. The king of Egypt said to the Hebrew midwives, whose names were Shiphrah and Puah: "When you help the Hebrew women in childbirth and observe them on the delivery stool, if it is a boy, kill him; but if it is a girl, let her live."

The midwives, however, feared God and did not do what the king of Egypt had told them to do; they let the boys live. Then the king of Egypt summoned the midwives and asked them, Why have you done this? Why have you let the boys live? The midwives answered Pharaoh, “Hebrew women are not like Egyptian women; they are vigorous and give birth before the midwives arrive. So God was kind to the midwives, and the people increased and became even more numerous. And because the midwives feared God, he gave them families of their own.” **Exodus 1:15-22**

Pharaoh had commanded the midwives to kill the boys so that the Israelites would not create more generations. Hebrew women were to be carefully monitored to ensure that only baby girls would live, but all newborn boys would be killed. For Pharaoh’s plan to succeed, he needed the co-operation of the Hebrew midwives, and that was a big problem for him. Egyptian nurses were not likely to attend to the needs of slave women, even if their religious custom allowed it. So he required the help of the Hebrew midwives.

It was normal for a woman of the same race to work as midwives and take mothers through the birth process. So the Hebrew midwives found themselves in a key position in the attempted ethnic control of their own people. The order of Pharaoh went directly to them. They were ordered to kill all the boys on the delivery stool before they took their first breath. In fact, the order was that they suffocate the baby boys and the delivery not be recorded as a live birth.

Shiphrah and Puah were found to be somewhat unsuccessful at this practice, and the Hebrew women continued to give birth to healthy boys and girls. When Pharaoh saw that so little changed, he summoned the two midwives to answer to charges. He demanded to know why they had not done what he commanded them to do by letting the Hebrew boys live. The two midwives were ready for Pharaoh. They clearly told him, “the Hebrew women are not like Egyptian women; they are vigorous and give birth before the midwives arrive.”

In fact, they gave birth so fast that by the time the midwives arrived, the baby was already born and breathing on their own and full of life.

God, who gave the Hebrew midwives children, is still the same. He will do it for you too. Get in touch today and let me help you make it happen.

Their plan and insight paid off. They had calculated that Pharaoh would not want to be accused of directly commanding them to murder. So once a baby was alive they would be allowed to let him live. They had guessed right. Their expertise was not challenged, their explanation was accepted, and their job as midwives went on as before. We are told that God blessed them with families of their own. I know you have helped many people bring joy and quality into their lives. You may think that God has forgotten you, but He has not.

God put it in my heart to write this article for you today to tell you He loves you and cannot forget you. God says to you: “Can a mother forget the baby at her breast and have no compassion on the child she has borne? Though she may forget, I will not forget you!” **(Isaiah 49:15)**. He says I will not forget you. “See, I have engraved you on the palms of my hand. Your walls are ever before me. Do not be afraid; you will not suffer shame. Do not fear disgrace; you will not be humiliated. You will forget the shame of your youth and remember no more the reproach of your widowhood. I will put a song in your mouth, and you will sing again O, precious daughter. I love you, and I care about you.”

The God who gave the midwives families of their own will do the same for you today. Ask the Lord what you want Him to do for you. After that you can pray this prayer:

“The Father of Love and compassion, I bless you today. I Give thanks to you Lord, for you are good and your love endures forever. You remembered me today. Thank you. When you remembered Hannah, she conceived and bore Samuel. Today that you remembered me, I thank you for visiting my womb with a child. No more infertility! No more miscarriage in my life. I know that you have come to bless me with my own child. For surely, O Lord, you have blessed me with a child. You surround me with your favour as with a shield. I thank you, Lord, for you are gracious to me and have made your face shine upon me. God has blessed me and all the ends of the earth will fear him. I will not keep silent. I will tell all that the Lord has done for me. The God who blessed the two midwives with families of their own, I thank you for blessing me too in Jesus’ mighty name. Amen”

Sister! If You Want To Overcome Infertility, Change the Way You Think

For the older woman to overcome all that has been limiting her from having a child, changing her thoughts becomes a must. Having spent so much time

listening to misleading talks and learning how difficult it is for an older woman to have a child, she has now developed this mental attitude in her mind that it is hard or it will be difficult for her to conceive. All the physical and medical facts facing her have become like a mountain of problems in her life. Now she will have to train herself to change her thought pattern. My pastor once shared the story of the great magician, Houdini, who could open locks with the power of his mind. A day came when he went into a contest and he thought he was locked up when the door was unlocked.

As usual, he spent all day trying to break the lock and open the door without realizing that the door was not locked. After attempting all day to open the door, he was finally let out only for him to discover that the door was not locked in the first place. In his mind, he had a vision of a locked door even though in reality the door was not locked. This is the situation that many older women find themselves in. The battle rages on in their mind when physically everything is perfect. For the older woman to overcome her limitation, changing her thoughts and focus becomes a must.

These Scriptures Teach Us About The Power Of Our Thoughts

These scriptures are what you are to meditate upon to bring victory in your life.

The Bible says, “As a man thinks in his heart, so is he.” **Proverbs 23:7**. So whatever you allow to keep occupying your thought pattern is what you will become.

One of the most powerful books in the world today that has changed many lives is a book written by James Allen called, “As a man thinketh” The title of that book was taken from the bible. See Proverbs 23:7.

For as he thinks in his heart, so is he. The principles of that book were also taken from the Bible. I want you to carefully look at this scripture and see what kind of thoughts the Bible recommends that we think.

Whatever is true

Whatever is noble

Whatever is right

Whatever is pure

Whatever is lovely

Whatever is admirable

Whatever is excellent

Whatever is praiseworthy

Think about such things. **Philippians 4:8**. If what you are thinking about does not come under this selection, you are sinning against yourself and polluting the storehouse of your life, which is your heart. God Himself gave you these promises. “I know the plans and thoughts I have towards you, plans to prosper you and not to harm you, plans to give you a hope and future.” **Jeremiah 29:11**

In God, you have a future, the hope of attaining all your dreams and desires, including having a baby at your age. Change your thought patterns and start thinking the victory you desire from God. Also remember that our God can do immeasurable, more than all we can ask or imagine or think. So giving you a child is no big deal to God, no matter how bad the medical report you have

received. My God can turn the situation around for you. Why not give Him a chance today? But you must add trust and faith to your asking.

Prayer

“Lord Jesus, I believe your Word. I thank you that you love and care for me so much. Let every man, symptom and circumstance be a liar and let only your word be true in my life. From today, I declare in Jesus name that I shall still bear fruit in old age. I shall remain fresh and flourishing. I declare that the Lord is upright. You are my rock, and there is no unrighteousness in you. I love you, Lord. Amen.”

Please always pray out your prayers in faith. The Word of God creates as you speak it out of your lips. So speak it out. The creative power is in the spoken Word.

God Bless and I LOVE you. Veronica Anusionwu

There is hope for you today in your situation. Reach out and receive it in Jesus' name.

Woman Facing Infertility, Do You Know You Can Have A Fresh Start?

Mrs Ascencao Firth! The Lord gave her a fresh start using my work after the doctors gave her 0.07 chance of ever having a baby. I worked with her for a year, and she is now a happy mother of a bouncing baby boy. Do you want this same miracle? Get in touch and let us discuss how we can make this happen for you.

Veronica and Ascencao and baby Ralphel

After years of trying for a baby, you may be tired and wondering what to do next. Ascencao was tired also and God led her to me. She was willing to invest in herself and today her story is different. I want to encourage you to look up to God for help. God is able to help you in Jesus' name. You can become a

mother too, for that is His will for you. I want to share a Bible story with you about an older couple whom God gave a fresh start. In the time of Herod, king of Judea, there was a priest named Zachariah who belonged to the priestly division of Abijah, his wife Elizabeth was also a descendant of Aaron.

Both of them were upright in the sight of God observing all the Lord's commandment and regulations blamelessly, but they had no children because Elizabeth was barren and they were well on in years. **Luke 1:5-7**. An angel of the Lord appeared to Zechariah and said to him, "Do not be afraid Zachariah, your prayers have been heard, your wife Elizabeth will bear you a son, and you are to give him the name John". **Luke 1:13**.

"Zachariah asked the angel, how can I be sure of this? I am an old man, and my wife is well on in years." **Luke 1:18**. After this, his wife Elizabeth became pregnant. When it was time for her to have the baby, she gave birth to a son. Her neighbours and relations heard that the Lord had shown her great mercy and they shared her joy. **Luke 1:57-58**.

Zachariah questioned the angel of God; he was thinking and reasoning in his mind how this could be possible. An old man and an old woman having a child? He could not see how it would be possible for them to have a child at their age. Here we see a man's reasoning and his thoughts trying to hinder his blessing. How? He asked the angel of the Almighty God, the more than enough God, the God of new beginnings, the God who specializes in making impossibilities possible.

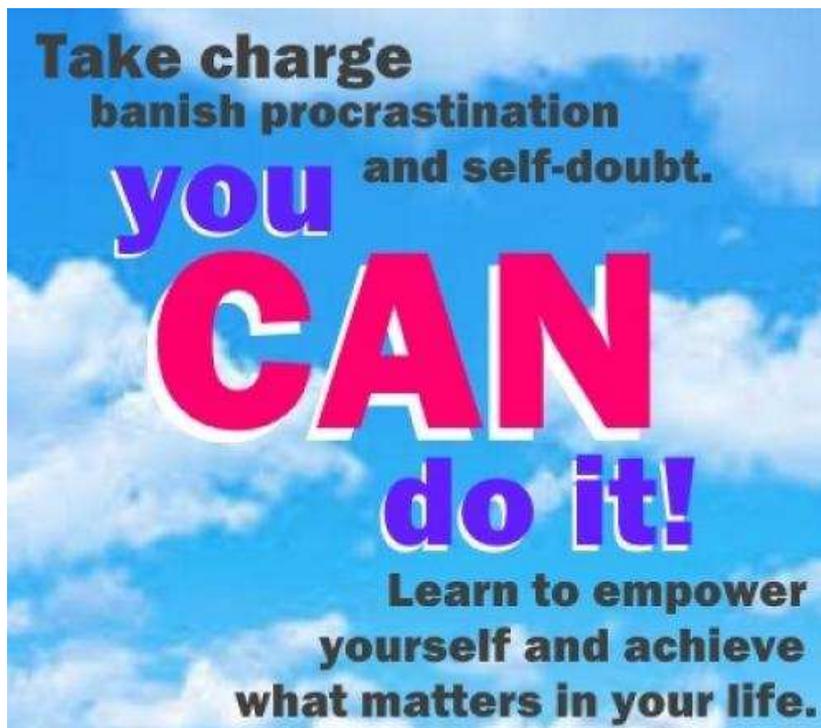

Nobody should ask God how it can be done because with God, all things are possible. The Bible records that because of his doubt, he was not able to speak until the day God's Word came to pass and the child was born according to the Word of God. Even at a ripe old age, God gave this couple a fresh start, why? Because they were people who trusted in His word.

They were upright and faithful. They were a praying couple and God blessed them because of their commitment to Him. The Bible says, "No good thing does He withhold from those whose walk is blameless." **Psalm 84:11**. God says that He will not withhold anything good from you if your walk is blameless. Pray loud in faith and ask God to show you mercy like He did for Zachariah and Elizabeth. No matter how bad you think you are, God still loves you and will

answer you. If you have not been walking uprightly, ask Him to forgive you. Say to Him Father, "Forgive me my sin and come into my heart. Come and show me your mercy Lord, in Jesus' name. Accept me the way I am now. And help me to walk uprightly from now on." Amen

Now pray this prayer in faith: "Lord Jesus, I believe your word. I worship you; I bless you and I give you praise. I thank you that you love and care for me so much. I believe that you truly care about me. Let every man and symptom and circumstance be a liar and let only your word be true in my life. Lord, I have read about the couple you gave a fresh start. Even in old age, you made Zachariah and Elizabeth nurse a child. God, you are so good, and you love me so much, give me also a fresh start like you did for them in Jesus' mighty name I have prayed. Amen."

It's now time to go forward and do it!
