YOU ARE NOT TOO OLD TO CONCEIVE!

Beautiful woman, are you tired of being told you are infertile or too old to have a child?

Hi, my name is Veronica Anusionwu, and I am here to help you win. If you are sick and tired of being told you are infertile, I want you to know you can conceive at any age if the desire is there in your heart. For that hunger is a sure sign that the blessing is already yours. Sometimes, you may wonder, "Will it ever happen for me?" Yes, it will, if you trust God completely. I have seen God bless so many women over the years who have even given up hope.

That is why today I bring you hope through the Word of God and in Jesus' name, you can be healed and have children as it is your birthright in Christ. I want to teach you how to confess your heart to God so that you can turn your dreams of having a family into reality. No matter how old you are today, your desire to conceive and have a baby can happen if you trust God to do it for you. If you have been diagnosed as having fertility problems, or have been trying for a baby for many years without success and you now feel you are getting on in age, do not worry. Help is at hand. With God, all things are possible, and you can still have a child. You can use the prayers and information in the Word of God to change your life. I have seen God's Word work and transformed lives. That same Word is available to help you also if you open yourself up to it.

The older woman may, due to her age or egg production problems, be led to believe that there is no way out for her having a child. I am not here to argue with medical facts, but I want to point you to a more authoritative source; that is the Word of God. In Jesus Christ, there is hope for you and the Bible has many beautiful promises for you. You do not have to accept that your age or anything in this life can stop you from having a child.

The Bible gives these promises to you to let her know that with God, it is never too late. God says:

- ❑ He will love you, bless you and multiply you. He will also bless the fruit of your womb and the fruit of your body. God has spoken in His Word that your body would bear and produce blessed fruit and you will not be barren.

Who can change that? God says:

- ❑ The righteous shall flourish like a palm tree. He shall grow like a cedar in Lebanon. Those who are planted in the house of the Lord shall prosper in the courts of our God. They shall still bear fruit in old age. They shall be fresh and flourishing, to declare that the Lord is upright.

God says if you trust Him, He will make you have children, even in old age. God's word says that if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you. The Lord can give life to your body no matter how bad your medical report may be.

“This is my season to prosper. I will thrive in the fruit of my womb. I am like Sarah who conceived and bore Abraham a son in his old age, at the set time of which God had spoken to him. I call myself a happy mother of children. Amen

A MOTHER'S DAY PRAYER FOR A WOMAN FACING INFERTILITY

Are you a nurse, midwife or doctor who has no child of your own? Are you someone helping others to live a better quality of life and yet you have not experienced the joy of motherhood? I bring you good news at this time of Mother's Day. Be glad because God can make you a mother too. The Bible says, **"God settles the barren woman in her home as a happy mother of children."** Praise the Lord! **Psalm 113:9.**

I want us to look briefly at this story in the Bible. The king of Egypt said to the Hebrew midwives, whose names were Shiphrah and Puah: "When you help the Hebrew women in childbirth and observe them on the delivery stool, if it is a boy, kill him; but if it is a girl, let her live."

The midwives, however, feared God and did not do what the king of Egypt had told them to do; they let the boys live. Then the king of Egypt summoned the midwives and asked them, why have you done this? Why have you let the boys live? The midwives answered Pharaoh, "Hebrew women are not like Egyptian women; they are vigorous and give birth before the midwives arrive. So, God was kind to the midwives, and the people increased and became even more numerous. And because the midwives feared God, he gave them families of their own." **Exodus 1:15-22**

Pharaoh had commanded the midwives to kill the boys so that the Israelites

would not create more generations. Hebrew women were to be carefully monitored to ensure that only baby girls would live, but all new-born boys would be killed. For Pharaoh's plan to succeed, he needed the co-operation of the Hebrew midwives, and that was a big problem for him. Egyptian nurses were not likely to attend to the needs of slave women, even if their religious custom allowed it. So, he required the help of the Hebrew midwives.

It was normal for a woman of the same race to work as midwives and take mothers through the birth process. So, the Hebrew midwives found themselves in a key position in the attempted ethnic control of their own people. The order of Pharaoh went directly to them. They were ordered to kill all the boys on the delivery stool before they took their first breath. In fact, the order was that they suffocate the baby boys and the delivery not be recorded as a live birth.

Shiphrah and Puah were found to be somewhat unsuccessful at this practice, and the Hebrew women continued to give birth to healthy boys and girls. When Pharaoh saw that so little changed, he summoned the two midwives to answer to charges. He demanded to know why they had not done what he commanded them to do by letting the Hebrew boys live. The two midwives were ready for Pharaoh. They clearly told him, "the Hebrew women are not like Egyptian women; they are vigorous and give birth before the midwives arrive."

In fact, they gave birth so fast that by the time the midwives arrived, the baby was already born and breathing on their own and full of life.

GOD, WHO GAVE THE HEBREW MIDWIVES CHILDREN, IS STILL THE SAME.

He will do it for you too. Get in touch today and let me help you make it happen.

Their plan and insight paid off. They had calculated that Pharaoh would not want to be accused of directly commanding them to murder. So once a baby was alive they would be allowed to let him live. They had guessed right. Their expertise was not challenged, their explanation was accepted, and their job as midwives went on as before. We are told that God blessed them with families of their own. I know you have helped many people bring joy and quality into their lives. You may think that God has forgotten you, but He has not.

God put it in my heart to write this article for you today to tell you He loves you and cannot forget you. God says to you: "Can a mother forget the baby at her breast and have no compassion on the child she has borne? Though she may forget, I will not forget you!" (**Isaiah 49:15**). He says I will not forget you. "See, I have engraved you on the palms of my hand. Your walls are ever before me. He says, "do not be afraid; you will not suffer shame. Do not fear disgrace; you will not be humiliated. You will forget the shame of your youth and remember no more the reproach of your widowhood". I will put a song in your mouth, and you will sing again O, precious daughter. I love you, and I care about you."

The God who gave the midwives families of their own will do the same for you today. Ask the Lord what you want Him to do for you. And have faith in his love and care for you. Believe also that He has answered you. God bless you in Jesus name. Amen

SISTER! IF YOU WANT TO OVERCOME INFERTILITY, CHANGE THE WAY YOU THINK

For you to overcome all that has been limiting you from having a child, changing your thoughts becomes a must. Having spent so much time listening to misleading talks and learning how difficult it is for you to have a child -you may have now developed a mental attitude in your mind that it is hard or it will be difficult you to conceive. All the physical and medical facts facing you may have become like a mountain of problems in your life that cannot be shifted.

You can have your baby, but you need to retrain your mind and change your thought pattern. My pastor once shared the story of the great magician, Houdini, who could open locks with the power of his mind. A day came when he went into a contest, and he thought he was locked up when the door was unlocked.

As usual, he spent all day trying to break the lock and open the door without realizing that the door was not locked. After attempting all day to open the door, he was finally let out only for him to discover that the door was not locked in the first place. In his mind, he had a vision of a locked door which he needed to unlock even though in reality the door was not locked. This is the situation that many women who are struggling to conceive find themselves in. The battle rages on in their mind when physically everything is perfect. For you to overcome all the challenges facing you changing how you think must be your primary focus.

THESE SCRIPTURES TEACH US ABOUT THE POWER OF OUR THOUGHTS

These scriptures are what you are to meditate upon to bring victory in your life.

The Bible says, “As a man thinks in his heart, so is he.” **Proverbs 23:7**. So whatever you allow to keep occupying your thought pattern is what you will become.

One of the most powerful books in the world today that has changed many lives is a book written by James Allen called, “As a man thinketh” The title of that book was taken from the bible. See **Proverbs 23:7**.

For as he thinks in his heart, so is he. The principles of that book were also taken from the Bible.

I want you to carefully look at this scripture and see what kind of thoughts the Bible recommends that we think, **Philippians 4:8**.

Whatever is true , Whatever is noble, Whatever is right, Whatever is pure, Whatever is lovely, Whatever is admirable, Whatever is excellent, Whatever is praiseworthy- Think about such things. Philippians 4:8.

If what you are thinking about does not come under this category, you are sinning against yourself and polluting the storehouse of your life, which is your heart. God Himself gave you these promises.

He also says, "I know the plans and thoughts I have towards you, plans to prosper you and not to harm you, plans to give you a hope and future."

Jeremiah 29:11

Because God has a plan for your life, you should remember that you have a future, the hope of attaining all your dreams and desires, including having a baby no matter your age. Change your thought patterns and start thinking the victory you desire from God. Also remember that our God can do immeasurable, more than all we can ask or imagine or think. So, giving you, a child is no big deal to God, no matter how bad the medical report you have received. My God can turn the situation around for you. He has used me to do it for so many women. Why not give Him a chance today?

God Bless and I LOVE you. Veronica Anusionwu
